"SERVING AGRICULTURE SINCE 1900"

WE ARE OVERSTOCKED!

Yes, we admit we are overstocked on some of our main items like—

HAIRY VETCH
COMMON RYE GRASS
SEED OATS

This is largely due to the market going down after we bought, and we haven't moved the volume we expected. This is rough on us. We see we must sell without profit to move these seed. Our loss will be your gain. ORDER TODAY!

Some very attractive prices are on this list on the above and other items, we think. Please look them over. Mail or phone your orders. Can ship quickly. Quality is unsurpassed.

SPECIAL PRICES apply to 25 bags or more of Vetch and Rye Grass; also to partial and full loads of oats. Ask.

OUR SEED LABORATORY

We have had a Seed Laboratory for years to check and test the seed we buy and sell. This is for your protection and ours, and we know you appreciate the great value of this. Our analyst, Earl Lott, is a Registered Senior Member of the Society of Commercial Seed Technologists. His tests are acceptable to ASC in all states and to other agencies. There are only 107 Senior Analysts in the U. S.

WE FURNISH TESTS FOR ASC IF WANTED.

CAN USUALLY FURNISH THEM IMMEDIATELY.

We do commercial testing also. May we do some for you? You will like our accuracy, promptness and reasonable rates. Show lot numbers on your representative samples. Mark them for "Seed Laboratory". We shall make complete tests unless you specify only purity or only germination. **Will send you envelopes for mailing samples to us upon request.**
